ACCIDENTS—The Sale Managers, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behaviour of the animals, and disclaim any liability in the event of personal or property loss.

MAIL BIDS—Mail bids will be received by any Sale Staff Member or Representative.

LUNCH — Will be available on the premises, served by the ladies of the United Church of Arkell.

FOREWORD

The late George Lasby was representative, in an eminent way, of scores of practicing agriculturists throughout Canada today. Representative in that he was a farm boy who left the farm and later attained success in industry. The love of the land and livestock was nonetheless one of the dominant forces in his life, which motivated him to secure land and raise his favourite breed, Scotch Shorthorns. Like all things he undertook, he had a high ambition to attain success and do things well.

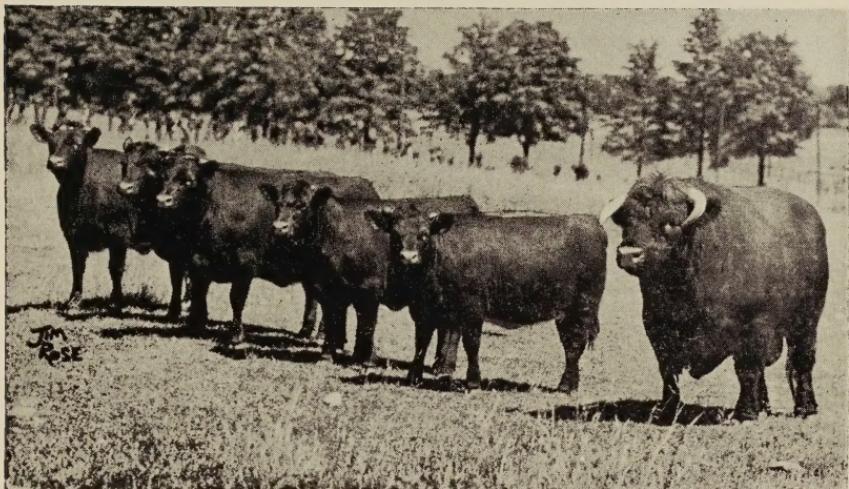

The herd was established some twenty-five years ago, and the females were selected on the basis of high individual merit and the best of pedigree strength, as evidenced by purchases from leading Canadian and Scottish herds.

The herd had achieved notable success in years past, but there are few who would dispute the fact that currently the herd is the best since its foundation. As in any herd, the stock bulls are a keystone to success. The Laslynnturn herd was headed by such bulls as — Ransom Junior, a Grand Champion Bull at the C.N.E., and a Senior and Reserve Grand Champion at the Royal Winter Fair; Gargiston Grand Finale (imp), a Senior Champion at the Royal Winter Fair on two occasions; Cruggleton Bayard (imp) by Calrossie Welcome, a top breeding bull, purchased in 1953 at \$4,100 in the Sale of Stars. The stock bulls more recently in use have been Birmingham Control, by Cruggleton Banker, and Laslynnturn Constructor, by Bapton Constructor.

The herd attained notable success at Canada's leading shows; it is impossible to chronicle here all such show ring accomplishments; however, just to mention a few of the animals bred at Laslynnturn, there was Laslynnturn Showman, a Senior and Grand Champion bull at the C.N.E. This bull was later sold at the International Congress Sale at Chicago, and later proved a top breeding bull. Laslynnturn Lady 6th was a Junior and Grand Champion female at the C.N.E., and currently one of the good breeding females now in the herd. The winning of the Get of Sire Class, Pair of Bulls, and Pair of Calves at the Western Fair, London, Ontario, was a common occurrence.

George Lasby and Norman Patterson, the latter Farm Manager and Herdsman, made a strong team in the cattle business. Norman Patterson is a man who was born into the cattle business and has spent his entire adult life with Shorthorn cattle, and a great measure of the success of the herd can be attributed to his guidance. George Lasby and Norman Patterson were two men of strong and determined opinions; it was a stimulating situation to observe that two such men made up a forceful combination based upon mutual respect for each other's convictions.

The success of the Laslynnturn herd is self evident in the high quality of the animals which will be forward in this complete Dispersal Sale. The Executors of the Estate have determined it most judicious to sell the farm and the cattle, thus a door closes on a great herd. At the same time, the door of opportunity opens for others to secure cattle of rich pedigree strength, with a standard of individuality that is in every way comparable to their pedigree strength.

BIRMINGHAM CONTROL and a group of his daughters. Note the uniformity and breediness of these youngsters. Note, too, the tremendous head and bone of the sire.
